Aire Valley Incinerator - At the next meeting of the Aire and Worth Deanery Synod we will be discussing the proposal to build an Incinerator in this Deanery. This topic has produced much publicity on both sides of the argument and is 'hotly' debated. The Synod therefore felt this was a local issue which needed to be discussed so we have invited people who represent both sides of the argument as well as the Council and Jemima Parker, our Diocesan Environmental Officer. Each will be given a chance to put their argument and then there will be a time for tabled questions. The meeting is at St. Michaels Church Cottingley on Monday 30th October at 7.15 pm and is open to all.

Village Welcome Packs . Do keep in mind these useful introductions to church and community activities in our villages. If you notice someone new move in near you please call and deliver a pack. To prevent duplication please then record your visit on the lists on church notice boards. At St. Matthew's the packs are kept in the vicar's vestry and in the choir vestry at St. Saviour's. More information is available from Helen Ludkin or Helen Keighley.
