Safeguarding Training. Safeguarding of children and vulnerable adults is so important that everyone in the church should have an understanding of it. The Church of England now has training that is accessible on-line and encourages everyone to take the opportunity to find out more.

The Basic Awareness course is suitable for all while the Foundation course is required for all who have contact with children or young people or with vulnerable adults. A link to the course page is available on the parish website. You will need to register and you will then receive an email with a link to the courses. Once you have completed one of them you will be able to print out a certificate. It may sound complicated, but it isn't. Face to face courses are available around our diocese. Details are available on the church notice board.

David Haigh, the parish safeguarding officer, will be encouraging those who have contact with children or vulnerable adults to complete a suitable course and will hope to see certificates!

Nancy would like to thank all her 'church friends' for the many expressions of sympathy during her recent bereavement.

Your kindness and donations to the church are very much appreciated and she thanks sincerely Mavis and Liz for all their help and ministrations.

Christian Aid The total raised from Harden & Wilsden this year is £764.21 plus £113.38 in Gift Aid. Thank you to everyone who delivered the envelopes.

Mission Support News. There is a new letter from our CMS partner Awais Mughal. It can be seen on the mission noticeboard at St Matthew's for two weeks, then will be moved to St. Saviour's. Do please have a look and keep the work Awais is doing in your prayers.
