**The next curry night** is on 1<sup>st</sup> December – names to Helen by 24<sup>th</sup> November.

**Fair Trade Festival.** Thank you to everyone who supported this event last Saturday. It was a pleasant social event with brisk sales. A donation of £100 has been sent to Traidcraft Exchange supporting farmers and artisans in the Third World. If you were unable to attend, Advent Calendars and Christmas cards are still available to order. Please contact Sandra H.

**Sudan Link Calendars** The 2020 calendars are available from Astrid. Each month has a lovely recent photo, information about the church in Sudan and points for prayer. Two sizes, £3 and £5.

**The Night Watch** After the initial enthusiasm, recruitment for our December shelter is now slowing down and there are still significant gaps to be filled. As usual, the night shift is unpopular, yet it is a crucial part of what we have to offer. Once your holiday arrangements are finalised, please have a look at the rota, either the printed version in each church or the electronic one on the St. Matthew's website, and consider whether you might help. In previous years our volunteers have all found the experience to be worthwhile and fulfilling. If you can help, contact Steve Rhodes on:

07958 744514 or by email at: [steve5621@icloud.com](mailto:steve5621@icloud.com)

**Sponsored Children** For over 30 years, our Churches have supported 'World Vision' who sponsor children throughout the world. There are brochures in each of the churches for those who would like to buy an extra gift in and amongst their Christmas shopping list. Thank you from us and them. Wendy Driver.

**Plant a Tree** On Saturday 23<sup>rd</sup> November from 10am to 3pm the Eco Group of Bradford Cathedral will be leading its next community tree planting day. The project began when they started planting the Cathedral Wood about three years ago. They have planted twice at a site in Frizinghall, where there are over 800 trees which are growing well. Next week's planting will be near Denso Marston Nature Reserve, Otley Road, Baildon, and all are welcome to join in.

"Trees are the natural cover of this country, and we really need to reinstate them and overturn the damage that we, as humans, have done over the centuries. We cleared trees. We think of this country as a green and pleasant land of fields, but if you think about the Roman era, they had to battle through forests. We need to put forests back as we're now experiencing more extreme weather conditions and trees hold back water. The Government is giving thousands of pounds towards flood alleviation in Airedale, and that's mainly for planting trees. But it's also about restoring biodiversity; the whole of the eco-system relies on the trees. The trees do need some care, certainly for the first three years. A group called 'Forest of Bradford' will be carrying out maintenance, as they have at the Frizinghall site for two years. It's all about helping out the trees in case some brambles grow bigger than the tree or bind weed wraps itself around them!"

You can join the team any time from 10am to 3pm next Saturday.

## **Prayers for the week beginning Sunday 17<sup>th</sup> November**

Because of print deadlines this prayer diary cannot respond quickly to breaking news. In addition to the suggested topics, please keep in prayer national and international events as you learn of them.

Mon	18-Nov	Pray for our team vicar Suzy and the other ordained and lay leaders who give such help and support.
Tue	19-Nov	Remember the life and work of St Hilda. Pray for women in leadership and teaching roles in the church today.
Wed	20-Nov	Pray for teenagers our villages, particularly if they are struggling to find the right educational or work opportunities.
Thu	21-Nov	Pray for our churches to grow and that we will have confidence to share our faith with those we meet.
Fri	22-Nov	Pray for our contribution this year to Inn Churches and for Steve Rhodes organising the volunteer rota.
