Inn Churches Night Shelter Wilsden 26th– 31st December

For the fourth year in a row, St. Matthew's will be hosting a night shelter for the homeless between Christmas and New Year. The project began as part of St. Matthew's outreach to the community, but from the beginning it has had enormous support from church members in all four villages. This is an excellent example of the way in which the benefice can work together to further our Christian calling to care for others.

The project is labour intensive, with twenty volunteer slots to be filled for each of the five nights. We need cleaners, catering teams for breakfast and dinner, greeting teams for the evenings and especially volunteers to stay and care for our guests overnight.

If you feel able to volunteer for one of these roles, have a look at the rota on the St. Matthew's website, www.stmatthewswilsden.org.uk and email David Haigh on david@haigh.demon.co.uk.

If you would like more information about the shelter, feel free to ring David on 01535 274225.

The night shelter is just one part of Inn Churches' work to support the homeless and those living on the margins of our society. To learn more about this unique Bradford charity, visit their web-site at www.innchurches.co.uk

Bible Study Course Session 8 will be held at St. John's at 7pm on Thursday 15th November and at 10am on Saturday 17th November.

There will be an **Advent Course** offered in Denholme for 4 weeks starting after the Bible Course finishes. There is a sign-up sheet in both Churches. If you are interested, please add your name and your preferred session – either Wednesday evening or Thursday morning. We hope that many of you will join us.

St. Saviour's Christmas Gift Stall - Saturday 17th November. Please leave any new items for our Christmas Coffee Morning stall (perhaps you have unwanted gifts?) in the box in the choir vestry. Your support is much appreciated!

Mission Support News. There is a new letter from our CMS partner Awais. In it she describes some of her work with asylum seekers and refugees, helping with language skills and intercultural understanding. She mentions her visit to our parishes in July and our wait for a new Team Rector. The newsletter includes a photograph taken at St Saviour's.

The letter will be on the Mission Support board in St Matthew's family room for a couple of weeks, then at St Saviour's. Please have a look and use her news to inform your prayers.

Inter Faith Week 2018 takes place from 11th to 18th November and is a great opportunity to focus on interfaith understanding and cooperation.

- It highlights the good work done by local faith, inter faith and faith-based groups and organisations
- Draws new people into inter faith learning and cooperation
- Enables greater interaction between people of different backgrounds
- Helps develop integrated and neighbourly communities
- Celebrates diversity and commonality
- Opens new possibilities for partnership

Building good relationships and working partnerships between people of different faiths and beliefs is part of the year-round work of many people and organisations across the UK. Having a special week provides a focal point, helping to open inter faith activity up to a wider audience so that more and more people are made aware of the importance of this vital work and are able to participate in it.
