The Leprosy Mission A big thank you from the Mission Support group to all who supported the coffee morning and sale. We took £126 on the day and this has been boosted by a very generous donation of £100 from the Lego Club which meets in St. Matthew's on the first Saturday of the month. Together with money from the collecting boxes in the two churches this will be sent to the Leprosy Mission in time to take advantage of the Government offer to double money raised by the charity.

There will be a **Thanksgiving for Life service at St. Matthew's** next Sunday 28th April at 4pm. This is a quiet service where we give thanks for the lives of those we have loved and who have died as well as prayerfully acknowledging our loss. Please do take an invitation to anyone you know who you feel may find this service helpful.

CMS Collecting boxes are now due to be returned, if you have one could you please bring it back to church. Thank you.

Fountains Church is the name of a new Christian worship centre which will overlook Bradford's City Park. The Church of England initiative, to be created in a former nightspot near the city's famous fountains, was announced earlier this year. Its permanent location will be confirmed this summer, but the newly-christened church will start life at nearby Glyde House next month.

Revd Linda Maslen, who heads the project, explained the choice of name: "Of course, Fountains Church refers to the wonderful fountains in front of City Hall, but also to "Fountains of Living Water" - one of the ways that God describes himself. And, like water, we want the church to be a blessing to the people of Bradford bringing life, hope and love. Easter also reminds us of our hope found in the resurrected Jesus and how life is springing up around us."

Archdeacon Andy Jolley said, "I'm delighted we can announce the name Fountains Church and we hope and pray it will give spiritual refreshment right in the city centre."

Bishop Toby added, "Fountains Church will have a strong Bradford identity: young, entrepreneurial, ethnically and culturally diverse and confident about holding out a clear religious offer and call in the public space. It will have a mandate from the start to grow and send folk out to plant new churches and revitalise existing congregations around the area."

Fountains Church will have its first prayer meeting at 7pm on Tuesday, May 7 at Glyde House, Little Horton Rd, Bradford and all are welcome.
