Gift Aid Small Donations Scheme

A reminder about how **non-taxpayers** can use the GASDS to augment their church giving.

However, **for those people who don't pay tax**, the following points may be useful:-

- The GASDS allows the church to claim back from the taxman an extra 25 pence for every £1 given.
- The Gift Aid Secretary can only do this for cash gifts of £30 or less made during a church service (this has increased from £20 from April 2019)
- For cash gifts of £30 or less in an envelope – the extra money can be claimed.
- If that same cash gift of more than £30 is placed on the collection plate – NOT in an envelope – the extra money can be claimed. The GA Secretary does not know that the money is a single gift, and is entitled to assume it is several gifts of less than £30.
- For cheque and standing order donations – the extra money cannot be claimed back. It is better to place cash on the plate, or in an envelope if £30 or less.

All of the above only applies to non-taxpayers.

People who do pay tax are urged to sign a Gift Aid Declaration that enables the Gift Aid Secretary to claim back 25 pence for every £1, no matter how the gift is made or whatever the amount of the gift.

Please talk to Michael Richardson if you need further information/guidance.

The Bradford Hospitals Chaplaincy are looking for new volunteers to join their visiting team. Interviews are being held at the moment. If anyone is interested in volunteering or would like further details please see Liz Moy.

Fantasy Football - Revd Richard Burge is starting a Benefice League of fantasy football. The game is easy to play. The rules are very simple:

- Choose **one team** from each of the **six lists** on the list at the back of Church.
- Get your choice of six teams to Richard by 2 August

Your teams will score you points as follows in the leagues and in the FA Cup:

- One point for every goal they score, and one point lost for every goal they concede
- One point for every point they are awarded in their league (three for a win etc)
- 20 points if they win their league, 10 if in the play offs, 10 points if promoted
- Fifteen points lost if they are relegated
- Ten points for a win in the FA Cup, five points for a drawn game

So choose your teams and let Richard have your selections before the start of August and it will help him to get to know some of our names etc.
